Having an Apple product break can be debilitating. At Simply Fix Ltd. located in Southampton we understand the need to get your mobile phone or tablet repaired quickly and to a high standard. With customer satisfaction being our primary concern we offer some of the best prices & service imaginable. Regardless if you have cracked the screen or you are having software issues, our expert technicians have the parts/knowledge available to fix almost any issue, even main board repairs at component level! All repairs carried out will be of the highest quality and quick as possible following industry standards. We offer a warranty of 12 Months! Our main intention are to deliver the best repairs. Walk-ins are welcome and if we are busy we can keep your device inline to be repaired quickly. To busy to stop? Not to worry, give us a call tell us your problem, you can send it in by mail and have the device returned via special delivery!
