

Eco Shine Solar Panel Cleaning - Auckland

Auckland, Auckland

Phone: 022 035 2494

Servicing Auckland and surrounding regions, Eco Shine Solar is a solar panel cleaning and maintenance company trusted across New Zealand. We handle solar panel cleaning services, photovoltaic panel cleaning, and offer effective bird-proofing solutions, including bird mesh for solar panels. Founded by brothers Edwin, Sam, and Ben, we've built a strong reputation supporting thousands of systems nationwide. From homes to commercial rooftops and solar farms, we use industry-grade equipment to keep your panels running efficiently. Talk to us about your solar panel maintenance needs. Website:
